## **I OPENED THE APP ON RACE DAY, AND THERE IS A COUNTDOWN CLOCK, BUT NO START BUTTON**

Leading up to race day, you will see a countdown timer, telling you how many days-hours-min until the race begins. Once the race begins, you will see a green start button

## **THE RACE IS SAYING 'STARTING HAS CLOSED', WHAT SHOULD I DO?**

The race has set a pre-defined time period where remote racers were eligible to start. Unfortunately, you have missed the cut-off for starting the race.

We need time to process results, present awards (if any) and do some behind the scenes administration, therefore we cannot have an unlimited amount of time for athletes to start the race.
