- Our mission is to plant 10,000 trees. As a caring citizen of Malaysia, we care about our surroundings and our aim is to combat climate change. By planting more trees, it will contribute to Malaysia/global reforestation efforts, restoring lost forests, repairing damaged ecosystems and mitigating climate changes. Planting a tree is one of the easiest and most powerful things you can do to have a positive impact on the environment, and we are the representatives to combat climate change for our future generations.
